

# *Hello, Home Ed people*

First, a quote often erroneously attributed to Nelson Mandela:

**"We ask ourselves who am I to be brilliant, gorgeous, talented and fabulous? Actually, who are you NOT to be? You are a child of God. Your playing small does NOT serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We were born to manifest the Glory of God that is within us, ALL of us. And as we let our Light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fears, our Presence automatically liberates others."**

Welcome to the Home Ed resources wiki. Please feel free to use any resources here, edit them for legibility, add to them, improve them and add your own to share. The idea is to have resources which have been successfully used in the past, so anything you've done that's worked really well, please feel free to share it with the rest of us. Please do also tell anyone, particularly groups of people, about this place and get them to send me their email addresses so i can invite them. My email address is gray followed by ure at yahoo dot co dot uk .

There's a page of [links](#)

I've decided to organise resources through a Dewey Decimal type system, under the following headings, with examples:

[General](#)

[Philosophy ?](#) - Critical thinking, moral issues, logic, argument.

[Psychology ?](#) - Memory, optical illusions, social interaction.

[Spirituality](#) - Myths and legends, world religions.

[Social Studies ?](#) - Money, political systems, social issues.

[Language](#) - Spelling, grammar, composition, second and other languages.

[Natural Science](#) - Mathematics, astronomy, physics, chemistry, biology.

[Technology](#) - Crafts, practical skills, recipes, use of tools.

[Fine Arts ?](#) - Painting, drawing, music, sculpture, dance.

[Literature ?](#) - Poetry, stories, plays.

[Geography and History](#)
